SUMMARY

I am a Junior Full Stack developer with a keen interest in e-commerce. I am looking for a Junior Developer role where I can enhance my skillset in web technologies to develop and implement solutions to meet modern e-Commerce needs.

SKILLS

Font-end: HTML, CSS, React

Back-end: Node.js, Express.js, Ruby on Rails

Databases: MongoDB, PostgreSQL, GraphQL

Tools: Git, Trello, Figma

EDUCATION

Diploma in Information Technology : Full Stack Web Development

Coder Academy • Melbourne, VIC • 2020

Certificate III in Financial Services

Swinburne University Of Technology • Melbourne, VIC • 2010

Diploma in Business

The Imperial College Of Australia • Melbourne, VIC • 2011

EXPERIENCE

Junior Web Developer (Intern)

Settle Easy

June 2020 – August 2020, Melbourne, VIC

- Created and documented the apis to be used by third party CRMs.
- Performed code reviews and fixed bugs in the existing code.
- Assisted with integrating a third party CRM called Agentbox to the application.
- Created the test cases and wrote the code to prevent inconsistent data from Agentbox to enter the application.
- Regularly participated in the morning stand-ups and sprint planning.

Junior Web Developer (Intern)

Back2bikes

February 2020 – March 2020, Port Melbourne, VIC

- Got myself familiar with the code base with the help of senior developers.
- Worked in a team of 2 and often did peer programming.
- Worked on one of the key components of the app to give it a new look and functionality following the wireframe design and brief.

- Deployed a morning stand-up app using heroku and docker image to be used by the team.
- Performed all other tasks assigned by the senior developer.

Driver

Self Employed (Melbourne Metro Taxis)

February 2012 – July 2019, Melbourne, VIC

Answered, scheduled and responded to reservation calls.

Transported high-value clients with professionalism and discretion.

Checked in with dispatch to determine schedule and planned pickups.

Sales Representative

Work Partners

March 2010 – December 2011, Melbourne, VIC

Face-to-face street sales.

Promoted product at public events to drive brand awareness and increase sales.

Achieved and exceeded targets regularly.
